

## Khanay Say Kamany Tuk – From Food to Sustenance

*Phase-I: Ramadan Food Package Distribution Drive*

*FeedHungryNow Initiative- Coordinated by SKHAWET Foundation*

In the heart of Southern Punjab moving on to Northern Punjab and Khyber Pakhtunkhwa, amidst the challenges of poverty, lack of necessities, and a declining artisanal heritage, the FeedHungryNow initiative embarked on a transformative journey. Our Phase-I Ramadan Food Package Distribution Drive aimed not just at addressing immediate hunger but at laying the groundwork for long-term empowerment and sustenance. Here's how we made a difference:

### **Empowering Communities, One Meal at a Time**

- **Location Focus:** Targeted remote villages in Southern and Northern Punjab and KPK, where the scarcity of basic amenities and opportunities is most acute.
- **Families Reached:** Successfully identified and aided 1,000 underprivileged families, translating to over 5,000 individuals fed during the holy month of Ramadan.
- **Comprehensive Engagement:** From meticulous village selection and family identification to the detailed collection of data on income, health, education, and aspirations, our approach was thorough and compassionate.
- **Quality and Transparency:** Ensured by selecting high-quality food packages from Imtiaz Supermarket and conducting transparent distributions with photo and video documentation.
- **Sustainable Approach:** Established a Family Database as a foundation for future phases, aiming at education, health, and long-term empowerment.

### **A Snapshot of Impact**

- **Dates of Distribution:** 9th to 25th Ramadan.
- **Nutritional Support:** Each food package contained 14 essential food items, sustaining a family of five for at least three weeks.
- **Administrative Efficiency:** Administrative costs were kept to a minimal 5% of the total project budget by **utilizing the resources and experienced workforce of our sister organization SKHAWET Foundation** thereby maximizing the impact of every donation.

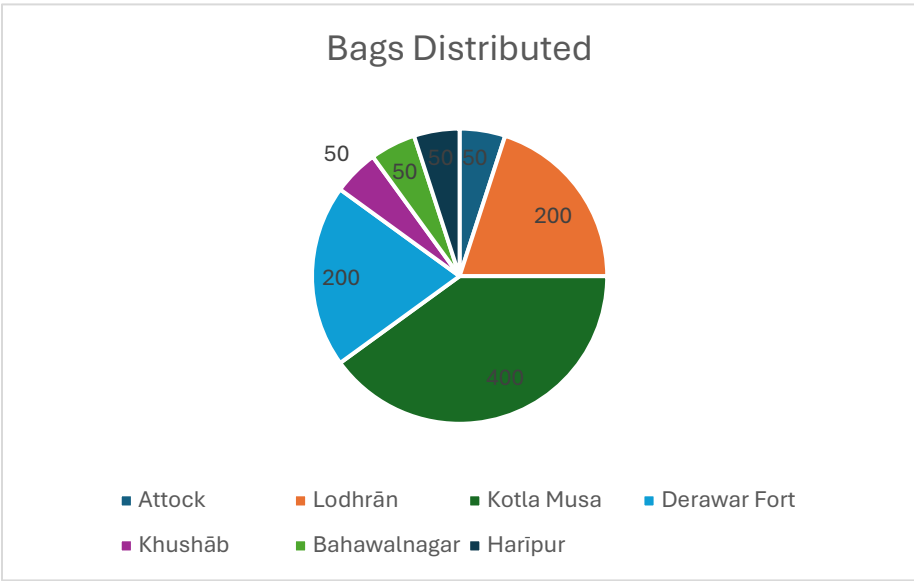

### **Towards a Brighter Future**

As we conclude Phase-I with hearts full of gratitude and hope, we stand at the threshold of further impact. The Eid-UI Adha Sacrificial Animal Drive, School Learning Package Drive, and Sustenance & Empowerment Drive await. With your continued support, we can transform 'Khanay Say Kamany'—from mere food to lasting sustenance and empowerment for families in need.

### **Your Partnership, Their Hope**

Your generous contributions have lit the path during this Ramadan. Together, we're not just feeding the hungry; we're nurturing hope, skills, and futures. Join us as we continue this journey, one family, one meal, one dream at a time.
